The 5Es ICEIE vertical

Efficacy

Level of Award

Bronze

Supporting evidence

Conceptual research review completed in 2023

Statement by ICEIE's College of Reviewers

The solution is based on a clearly documented research-based rationale, efficacy of which will need to be verified through a series of implementation studies.

Research partner:

WiKIT AS

Validator:

Arken Research

The ICEIE considers impact in five areas: Efficacy, Effectiveness, Ethics, Equity and Environment.
This certificate is valid until January 2026
