The 5Es EduEvidence vertical

Efficacy

Level of Award

Bronze

Supporting evidence

Evidence-ready report and detailed research plan aligned with ESSA's evidence tiers and the 5Es framework of EdTech impact

Statement by EduEvidence's College of Reviewers

Evidence aligns with ICEI Equity Bronze criteria in that the report contains a comprehensive literature review, a solid logic model and theory of change and plan for follow-up research studies

Research partner:
International Centre for
EdTech Impact

Validator:
Jamie Nicole Elsner,
UNC Chapel Hill

EduEvidence considers impact in five areas: Efficacy, Effectiveness, Ethics, Equity and Environment.
This certificate is valid until May 2027
